About me

I am a dedicated Front-End Developer with a passion for UI design. With a background in the artistic field, I bring a unique blend of creativity, abstract thinking, and attention to detail to my work. I thrive on exploring new features and frameworks and love being involved in new projects.

Work experience

FRONT-END DEVELOPER & UI DESIGNER

Acacia Hostel & Pesto Hostel | June 2023 - July 2023

Collaborated on the development of the hostel's responsive booking web application. Implemented optimal layouts for various screen sizes and resolutions by utilizing a template. Also, ensured fixed layouts and optimized content.

Radioship.org | March 2023 - Present (Work in Progress)

Contributing to Radioship's ongoing Open-Source Project for Speech-to-Text and Searchable Audio Archive. Involved in the creation of the **Civil Radio Archive** web page from concept to implementation. Designed the **UI in Figma** and implemented it using React, Next.js, Tailwind, and TypeScript.

DIGITAL MARKETING MANAGER

HRP Europe Kft. | Dec 2019 - Aug 2021

Developed B2B newsletters, including content creation, design, and HTML coding, reaching 5,000 partners. Redesigned and coded a new newsletter template for automated Outlook letters. Also served as the content author for the company's **SmartHome** website.

DIGITAL ARCHIVIST

Forum Hungaricum Nonprofit Kft. | Sept 2018 - Dec 2019

Digitized and archived historical documents, ensuring accurate OCR for text records, and uploaded them to the public database **MaNDA**.

MOTION PICTURE AND ANIMATION TEACHER

Szinapszis School | 2015 March - 2015 Aug

Instructed adults in basic animation and motion picture techniques, covering object animation, paper-cut, and stop-motion animation.

PROJECT COORDINATOR, ANIMATOR, GRAPHIC DESIGNER

Lemma Cultural Association | 2013 & 2014

Conceptualized the **Island of Delights** and **Time Capsule** projects at Sziget Festival, involving 108 participants in 2013 and 240 in 2014.

FREELANCER & CO-WORKER | 2023 - 2009

Created YouTube videos, designed and developed static HTML web pages, graphic designs and illustrations for various clients.
